

# MOWER DECK

*Autonomously mow grass with the RT-1000*

Keep lawns and parks beautiful with the Mower Deck attached to the RT-1000 from Left Hand Robotics. Cut large, grassy areas with great precision and more efficiency. Autonomously mow up to 20 acres on a tank of gas.

The Mower Deck features a cutting width of 63" and an adjustable cutting height from 1" to 5". Keep turf healthy and avoid ruts too. Assign different mow patterns every time the robot cuts grass.
